

Quality Policy

We will provide quality products and services delivered on time that meet our customers' requirements and applicable standards.

We will focus on innovating new solutions, continually improving our production methods, product selection, services, and the effectiveness of the quality management system, and compliance with this policy.

A handwritten signature in black ink, appearing to read 'P. Galitzine', is positioned above the name of the signatory.

Piotr Galitzine
Chairman and CEO
IPSCO Tubulars Inc.
